REQUEST FOR RECONSIDERATION OF THE PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(d)

Mail Stop Patent Ext
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Notice of Allowance for the above identified application was mailed on July 26, 2004, with a published term adjustment under 35 U.S.C. § 154(b) of 432 days. For the reasons stated herein, reconsideration of this patent term adjustment is respectfully requested.

REMARKS

Reconsideration of the patent term adjustment under 35 U.S.C. § 154(b) is requested. A Notice of Allowance with a term adjustment of 432 days was mailed on July 26, 2004, and a copy of the Notification is included herewith as Exhibit A. Correction of the patent term adjustment to add 753 days to the patent term as shown below is respectfully requested. A fee charge as set forth in 37 CFR 1.18(e) is enclosed. Please charge any additional fee required or credit for any excess fee paid to Deposit Account No. 23-1925. A duplicate copy of this Petition is attached.

The patent term adjustment for U.S. Application No.: 09/826,669 is calculated as shown below. Dates are specified based on the Patent Application Information Retrieval (PAIR) system Patent Term Adjustment History, attached as Exhibit B. Also, note that the corresponding to be issued U.S. Patent is not subject to a terminal disclaimer.

Period of adjustment under 37 C.F.R. § 1.703(a)

The period of adjustment under 37 C.F.R. § 1.703(a) is the number of days in the period beginning on the day ("the 14 month date") after that date that is fourteen months after the date on which the application was filed under 35 U.S.C. § 111(a) and ending on the date of mailing or either an action under 35 U.S.C. § 132 or a notice of allowance under 35 U.S.C. § 151, whichever comes first.

The present application was filed on April 5, 2001. The 14 month date specified in 37 C.F.R. § 1.703(a) is June 5, 2002. The first PTO action was a Non-Final Office Action mailed August 14, 2003. The difference between the 14 month date and the date of mailing of the requirement for restriction is 435 days.

Period of adjustment under 37 C.F.R. § 1.703(b)

The period of adjustment under 37 C.F.R. § 1.703(b) is the number of days in the period beginning on the day ("the 3 year date") after the date that is three years after the date on which the application was filed under 35 U.S.C. § 111(a).

The present application was filed on April 5, 2001. The 3 year date specified in 37 C.F.R. § 1.703(b) is April 5, 2004. The Notice of Allowance was mailed on July 26, 2004. Hence, based on the mailing date of the Notice of Allowance, the difference between the 3 year date and the Notice date is 112 days.

Reduction in period of adjustment under 37 C.F.R. § 1.704

With respect to the grounds for adjustment set forth in 37 C.F.R. § 1.704(a)-(e), an applicant is deemed to have failed to engage in reasonable efforts to conclude processing or examination of an application for the cumulative total of any periods or time in excess of three months that are taken to reply to any notice or action by the Office. Any such three month period is measured from the date the notice or action was mailed to the applicant. The period of adjustment set forth in 37 C.F.R. § 1.703 shall be reduced by the number of days beginning on the day ("the 3 month date") after the date that is three months after the date of mailing of the Office communication.

In the present application, a non-final rejection was mailed on August 14, 2003. The 3 month date for this communication is November 14, 2003. A Response to the non-final rejection was received by the Office on November 17, 2003, so the reduction in period of adjustment under 37 C.F.R. § 1.704(b) is 3 days.

Total patent term adjustment

For the present application, the total PTA under 37 C.F.R. § 1.703(f) is the period of adjustment under 37 C.F.R. § 1.703 reduced by the reduction under 37 C.F.R. § 1.704. The total adjustment is thus 435 days + 112 days - 3 days = 753 days.

It is respectfully submitted that in the patent term adjustment determined for U.S. Application No.: 09/826,669 the term was not adjusted to include the 112 day term adjustment under 37 C.F.R. § 1.703 (d) for failure to issue the corresponding patent within 3 years from the date of filing of the patent application. Accordingly, reconsideration of the patent term adjustment for U.S. Application number 09/826,669 is respectfully requested.

Applicant respectfully requests reconsideration of the patent term adjustment for this patent. Office personnel are invited to contact the undersigned attorneys for the Applicant via telephone if such communication would expedite this request.

Respectfully submitted,
